# Floyd Baptist Preschool Newsletter
## December 2019

Dear Parents,
This year is almost over and we've had lots of fun. We hope the children have shared their experiences at school.

We would like to thank Veteran Dale Profitt for coming to preschool and teaching us about being a Veteran. We certainly appreciate those serving our country!

In December we will continue working on the alphabet. Our main focus for December will be Christmas: the true meaning, as well as the commercial aspect. In the Spirit of the Christmas season the Preschool will be giving food to help local families this year. We ask that each family bring non-perishable food items to the Christmas program. Invite all who attend to take part in bringing any canned food or boxed items as well. We will be sure the items donated get to the food bank to help those in need this Christmas. It will excite the children to see just how much we can help! Also if you would like to give for the Angel tree please send in your $5 or whatever you would like to give by Dec. 3rd.

**Tuesday & Thursday's Children only**

We have been busy cutting, pasting, painting, singing, writing and just having fun. We have also been enjoying our study of the alphabet. Please continue to work with your child at home reinforcing the letter learned during the week and writing their name. Please remember to refer to the ABC writing guide that was sent home to reinforce the proper handwriting. (If you need another copy please let us know.)

**We have planned our Christmas Party for Tuesday, December 10th at 9:30 and the children will exchange gifts.** Your child will draw names on Tuesday. We will send the name home with them…. A $5 gift is sufficient. **Please have the wrapped gift at the preschool on Tuesday, December 10th. The Christmas Program will be the same day as the party -Tuesday, December 10th at 11:45 am in the sanctuary. Invite friends and family for the program.**

**Monday, Wed. & Friday's Class Only**

We have been very busy working on our writing skills, counting, rhyming, cutting, painting, singing and just having fun. We have also been enjoying our study of the alphabet. Please continue to work with your child at home reinforcing the letter learned during the week. ***Remember to refer to the ABC writing guide and sounds cues that were sent home to reinforce the proper handwriting and sounds. Also, in March we will be doing the PALS testing and in order to do well the children need to know at least 16 capital letters. We are working very hard on this and we know you are too!**

**All 4 year olds need to attend on Friday December 6th at 8:45am for the trip to the Nursing Home to sing to the residents this day.** We always look forward to spreading Christmas cheer to the residents and staff there.

We have chosen angels from the public school tree and will be buying for the Nursing Home Residents… instead of getting gifts we will be giving. Please send $5 or what you feel you would like to contribute by December 4th. There is a jar on the table that you may put donations in.

**Also, on Monday, December 9th at 9 am the children will have Breakfast with Santa and their Christmas Party! Come to Preschool in your pajamas and eat breakfast with Santa!**

**… The children are very excited about the Christmas program, which will be held on Thursday, December12 at 7pm in the Sanctuary.** The children need to be here by 6:45pm… Invite lots of friends and family!

We thank each of you for the opportunity to work with your children they are truly a blessing.

***We pray that you & your family have a blessed Christmas!***
***Ms. Janice, Ms. Brenda & Ms. Patsy***
