

Floyd Baptist Preschool Newsletter December 2020

Dear Parents,

This year is almost over and we've had lots of fun. We hope the children have shared their experiences at school. We are so glad to be here!

In December we will continue working on the alphabet. Our main focus for December will be Christmas: the true meaning, as well as the commercial aspect. In the Spirit of the Christmas season the Preschool will be giving food to help local families this year. We ask that each family bring non-perishable food item. We will be sure the items donated get to the food bank to help those in need this Christmas. It will excite the children to see just how much we can help!

Tuesday & Thursday's Children only

We have been busy cutting, pasting, painting, singing, writing and just having fun. We have also been enjoying our study of the alphabet. Please continue to work with your children at home reinforcing the letter learned during the week and writing their name.

We have planned our Christmas Party for Tuesday, December 15th and the children will exchange gifts. Your child will draw names on Tuesday and we will send the name home with them. A \$5 gift

is sufficient. **Please have the wrapped gift to the preschool on Tuesday, December 15th.**

We typically have our Christmas program, however under the circumstances we are unable to. We are still learning Christmas songs and enjoying teaching and celebrating the meaning of Christmas!

Monday, Wed. & Friday's Class Only **We have planned our Christmas Party for Wednesday, December 16th.**

We have been very busy working on our writing skills, counting, rhyming, cutting, painting, singing and just having fun. We have also been enjoying our study of the alphabet. Please continue to work with your child at home reinforcing the letter learned during the week. ***Remember to refer to the ABC writing guide and sounds cues that were sent home to reinforce the proper handwriting and sounds. Also, in March we will be doing the PALS testing and in order to do well the children need to know at least 16 capital letters. We are working very hard on this and we know you are too!**

We have completed the Preschool screenings and we will be contacting you to go over it either through zoom or in person.

We have chosen angels from the public school tree and will be buying for the Nursing Home Residents... instead of getting gifts we will be giving. Please send \$5 or what you feel you would like to contribute by December 4th. There is a jar on the table that you may put donations in.

We thank each of you for the opportunity to work with your children they are truly a blessing.

We pray that you & your family have a blessed Christmas!
Ms. Janice, Ms. Erin & Ms. Patsy
