

# FLOYD BAPTIST PRESCHOOL NEWSLETTER

## January 2021

Dear Parents,

It's hard to believe a new year is upon us. The last few months of school have flown by! We look forward to a great New Year!!

We would like to thank everyone for the wonderful gifts we have received for Christmas! Our hearts are warmed more than words could express. During this time of giving, we too appreciate the generosity each of you showed. With your generous donations we were able to bless 9 children with our shoe boxes we filled! We were also so happy to have been able to bless angels at the nursing home and Elementary school!

We were so proud to have helped fill 7 boxes with food items donated by our Preschool families. That made some nice meals for families in need this holiday season. Thanks so much!

**A big change took place for the Monday, Wednesday and Friday classes only, when we returned from Christmas break. When the children**

**arrive to school they have work waiting for them to do. This work will need to be completed before they can play. We feel this routine will better prepare them for kindergarten.** January we will continue working on the alphabet. We will also work on numbers, counting; rhyming and talk about winter. The children have been doing a great job on their homework! Keep up the good work!

We would like to also let you know that we have been learning about manners and the respect we should show to others. Please encourage your child to use their "magic words" at home: (Please and Thank you)...and discuss how important it is to "Treat others as you want to be treated."

Also, as a reminder, if public schools are closed due to inclement weather then we are closed. If school is delayed we go on time. Please watch your local news for updates or check their

websites. You can also call the school, (540)745-9400 for updates.

We pray that each of you had a blessed holiday season! And as always, if you have any questions please do not hesitate to contact us!
