Floyd Baptist Preschool Newsletter
April 2023

Dear Parents,
Wow! Only two more months of school! We have covered a lot of material but we have a lot more to go. This month we will learn about and celebrate Easter, finish the alphabet, learn about animal life cycles and spring. The 4 year old class will also be learning their phone numbers and addresses this month. Spring has arrived and the children will be enjoying going outside in the fresh air. **Please make sure the children's names are on their coats and sweaters**.

Easter Parties and Easter Break

The 3's Easter Party will be on Tuesday, April 4th. The 4's Easter Party will be on Wednesday, April 5th.

Each child in both classes needs to bring 3 white hard-boiled eggs to school so we can color them and hunt them at preschool. Please do not bring a basket; the children will be making one.

There will be no school on Friday, April 7th and Monday, April 10th. We will return on Tuesday, April 11th …. Enjoy your Easter Break!

Spring Pictures

The 4 year old class will have pictures taken on Wednesday, April 12th. The 3 year old class will have pictures taken on Thursday, April 13th. A flyer was sent home last week with information and package prices! Please return the order form with payment on or before picture day. Also please make sure you go online and sign up on the link provided in the email sent as soon as possible.

Attention Tuesday & Thursday's Children Only

The children have begun practicing for their promotion program which will be on Tuesday, May 9th at 6:30pm here at the church. Please mark your calendar! The last day of school will be on Thursday, May 18th.

Attention: Monday, Wednesday and Friday's Children Only

We have started the PALS Pre-K screening with the Monday, Wednesday and Friday's children. When completed we would like to give the results to you in a parent/teacher conference that we will start scheduling when completed. The conferences may be in person or by phone. We think explaining this screening one on one will help you understand the importance of it. The results of this screening are sent to the schools for the kindergarten teachers to have on file for these upcoming kindergarteners. This will also help them to know their strengths and weaknesses.

Graduation will be on Wednesday, May 10th at 6:30pm at the church. The children are working hard on the program and are looking forward to a wonderful evening! The last day of school will also be May 19th for the 4's. Wow! How the year has flown by!

Thank you for sharing your child with us each week. Please remember to check your calendar for special events. If ever you have any questions please do not hesitate to let us know!
