

# Floyd Baptist Preschool Handbook

## MISSION STATEMENT

The Floyd Baptist Preschool is an outreach ministry of the Floyd Baptist Church that provides an opportunity for early childhood education for children within the community, to prepare them for entrance into kindergarten and the elementary programs of public education. As far as possible and practical, this purpose shall be accomplished within a Christian atmosphere in which spiritual values and the Bible are emphasized.

## OBJECTIVES

In order to accomplish the mission statement, the following objectives are set forth:

- ❖ to lead each child to recognize that he/she has positive worth in the sight of God and the school.
- ❖ to lead each child to understand that he/she is loved.
- ❖ to share love equally with all students.
- ❖ to teach each child the importance of parental, social, and self-discipline within his/her life.
- ❖ to prepare each child to be able to recognize letters and numbers.
- ❖ to teach each child the basic skills of communication with other children and adults.
- ❖ to provide each child an opportunity to express himself/herself through music, language, and art.
- ❖ to expose each child to Bible lessons and spiritual values.
- ❖ to lead each child to know how to interact appropriately in large and small groups.

## DISCIPLINE

- ❖ We recognize the uniqueness and individual rights of each child entrusted to our care. In a group setting such as ours however, the rights of other students are also important and need to be respected. The purpose of our discipline is to encourage and train children to behave appropriately.
- ❖ Our staff has developed a list of rules that we feel are appropriate and necessary for us to fulfill our mission. On occasion, when a child has broken a rule, needs time to calm down, or is being disruptive, we do use a "time out" chair or perhaps move the child to an alternate activity. No form of corporal punishment is ever used. We also utilize positive reinforcement (i.e., verbal praise, stickers, stamps) to encourage good behavior. If your child does not have a "hand stamp" when you pick him/her up from preschool, you may want to talk with the teacher about his/her behavior that day.
- ❖ General Rules: No running, fighting or throwing anything; No climbing on basement incline; Always show respect for teachers and classmates; Always use kind language; Sharing is a must; Respect others space by keeping your hands to yourself; Everyone helps clean up; No gum, candy or toys.

***In extreme cases of behavioral problems, parents will be asked to conference with the preschool staff. Strategies to be tried at home and at school to help correct the behavior problems will be discussed and written down. If, after a reasonable period of time, the behavior has not improved, the staff will meet with the Preschool Committee to discuss whether there is need for further action (i.e., termination of enrollment). If needed and desired, efforts will be made to help and/ or counsel with the family.***

## COMMUNICATION

- ❖ A monthly calendar/newsletter will be sent home during the first week of each month. Included will be information regarding topics being studied, birthdays and other special activities and important dates. Information regarding special events at Floyd Baptist Church, which you are invited to participate in or attend, will be included.
- ❖ A school handbook will be sent home at the beginning of the school year. Please read it carefully, ask questions if needed, and then tear out, sign, and return the last page in the handbook to the school.

- ❖ A list will be kept of those designated to pick up your child. If someone other than those already designated is to pick up your child, you will need to notify us in advance. **IF YOU DESIRE CERTAIN INDIVIDUALS NOT BE ALLOWED TO PICK UP YOUR CHILD, PLEASE INFORM US IN WRITING. HOWEVER, WITHOUT A COURT ORDER, WE CANNOT KEEP A LEGAL PARENT OR GUARDIAN FROM LEAVING THE PRESCHOOL GROUNDS WITH HIS/HER CHILD.**

- ❖ Checklists to indicate your child's progress will be sent home twice a year (for the 4 year olds only) - October and May. If you have any questions or concerns, please contact the preschool staff and make arrangements for a conference to discuss these areas.

## CLOTHING

- ❖ Please dress your child in comfortable play clothes for preschool. Clothes should allow for freedom of participation in activities such as running, floor play, painting, using clay, etc. Tennis shoes are preferable for active play. "Jellies" or sandals can be dangerous for playground and running activities.
- ❖ Please put your child's name in his/her coats, jackets, and sweaters.
- ❖ Please have a complete change of clothes at preschool by the end of the first week of school. You may want to send both long pants and shorts, a long sleeve and a short sleeve shirt, underwear and socks. Please put these in a plastic Ziploc bag with your child's name in permanent marker on the outside. If your child uses these extra clothes, please send replacements.
- ❖ Preschool employees are given permission to provide necessary hygiene care for children. This includes the changing of soiled/wet clothing, & the cleaning of children due to accidents related to going to the bathroom.

## BIRTHDAYS

- ❖ If your child is celebrating a birthday, you may want to provide refreshments for the occasion. Reminder nothing with peanut butter, nuts or anything processed in a nut facility. See allergy letter for details. Please notify the staff in advance so that we may put it on our calendar. This will prevent having more than one party on the same day. We feel that this is an important day for your child and we try to celebrate only one at a time, even if this means celebrating a birthday on another date close to the actual birthday.
- ❖ **We would prefer not to have cupcakes or cake due to the mess. Prepackaged cookies, small doughnuts, mini-muffins, fruit and vegetables with dip are wonderful ideas. (Nut Free Facility)**

## **MEDICAL**

- ❖ Although we certainly want your child to attend preschool regularly, we do not want them to come to preschool sick. We realize that this is sometimes a “judgment call” on your part, but most of the time there are clear indicators that your child should not attend that day:
  - ***Fever in the last 72 hours, do not give children Tylenol or Advil (ibuprofen) to reduce fever and then send them to school. (The child may be highly contagious to others.)***
  - ***diarrhea and or/vomiting in the last 72 hours***
  - ***red, swollen or itchy eyes or signs of discharge***
  - ***coughing and nasal discharge***
  - ***irritability about coming to preschool in a child who is normally excited about attending***
- ❖ If we learn that children at preschool have been exposed to a contagious disease (COVID 19, chicken pox, head lice, etc.), you will be notified promptly. The appropriate cleaning will be completed at the preschool classroom and all other necessary safety measures will be taken.
- ❖ Medications will be given only in emergency situations (inhalers, epipens, etc.). Written instructions and permission must be brought to the preschool staff.
